Nelson Page before the State Encampment on the subject of southern history Mr. W. S. Towson received a barrel of oysters from the lower river yester day, and on opening one found a fish two and a half inches long in the shell. The fish was alive and had eaten the oyster, but the shell was closed too tightly for it to escape after its meal.

## A Little Girl's Experience in a Light-

Mr. and Mrs. Loren Trescott are keepers of the Government Lighthouse at Sand Beach. Mich., and are blessed with a daughter four years old. Last April she was taken down with Messles, followed with a dreadful Cough and turning into a Fever. Doctors at home and at Detroit treated her, but in vain, she grew worse rapidly, until she was a mere "handful of bones."—Then she tried Dr. King's New Discovery and after the use of two and a half bottles, was completely cared. They say Dr. King's New Discovery is worth its weight in gold, yet you may get a trial
